

# ANTIQUARIAN HOROLOGICAL SOCIETY

## NORTHERN SECTION

### **The Meeting**

The meetings offer a variety of formal lectures and informal club-nights together with exhibitions, demonstrations and interesting visits. The club Nights and Lectures usually alternate each month with a guest lecturer being invited to provide a presentation, usually with the aid of slides, to the meeting. For the club night a theme is chosen, members are encouraged to bring items for display, and possibly say a few words about their item(s).

The meetings are friendly, relaxed and provide the opportunity to meet new friends with similar interests, exchange views, ideas and get help with solving your horological problems. Refreshments of coffee, tea and biscuits are also served following the meetings. AHS publications are available for sale as well as members surplus horological items.

### **The Time**

Our meetings are held on the second Friday of each month at 7:30 for 8:00 pm and continue until everyone leaves, usually between 10:30 and 11:00 pm.

### **The Place – NEW VENUE**

The venue is in The Village Methodist Church (formerly Sale Moor Methodist Church) on Northenden Road, Sale Moor.

Parking is available in front of the church and surrounding streets.

**The Village Methodist Church  
299 Northenden Road, Sale, Greater Manchester, M33 2PP**

The venue is located on the south side of Manchester within a mile of Sale Railway Station and close to the M60 Junctions 6 and 7.

### **Visitors and New Members Most Welcome**
