

# ANTIQUARIAN HOROLOGICAL SOCIETY

## NORTHERN SECTION

### **The Meeting**

The meetings offer a variety of formal lectures and informal club-nights together with exhibitions, demonstrations and interesting visits. The club Nights and Lectures usually alternate each month with a guest lecturer being invited to provide a presentation, usually with the aid of slides, to the meeting. For the club night a theme is chosen, members are encouraged to bring items for display, and possibly say a few words about their item(s).

The meetings are friendly, relaxed and provide the opportunity to meet new friends with similar interests, exchange views, ideas and get help with solving your horological problems. Refreshments of coffee, tea and biscuits are also served following the meetings. AHS publications are available for sale as well as members surplus horological items.

### **The Time**

Our meetings are held on the second Friday of each month at 7:30 for 8:00 pm and continue until everyone leaves, usually between 10:00 and 10:30 pm.

### **The Place**

Meetings are held in the “**Countryside Suite**” Room of Winwick Leisure Centre, where there’s ample Parking on site.

**The Countryside Suite – Winwick Leisure Centre  
Myddleton Lane, Winwick, Warrington, Cheshire, WA2 8LQ**

The venue is located close to both Junction 9 of the M62 and Junction 22 of the M6, and a stone’s throw away from the Premier Inn, Warrington East Hotel.

### **Visitors and New Members Most Welcome**
